Subject: list of ccw-restricted locations

Generally, carry of concealed firearms at state beaches and parks is allowed for those with a California CCW license.

However, my understanding is that certain locations (for example, Hearst Castle), are off-limits even for CCW holders.

Can you please provide a list of all such locations where CCW is prohibited by your agency?

I am particularly interested in knowing about policy at Oceano Dunes and the beach in North Morro Bay.

But would appreciate a comprehensive list, if available. Thank you.

(I understand that SB2 makes pretty much everything off-limits, but enforcement of that new law has been blocked by federal court.)

Thank you,
Dave Durringer
