Dear Gentlemen,

Is David Duringer (guy who pulled gun at Council Candidate's meeting) allowed to do gun training in his law office at 895 Napa, MB? He has scheduled several training sessions there according to one of his websites:

Is this considered a legitimate use of office property?

I look forward to your response. Thank you [REDACTED] Public Interest Exemption

Reason	Page (# of occurrences)	Description
Public Interest Exemption	1 (3)	California Government Code section 7922.000 authorizes a public agency to withhold an otherwise public record from disclosure when the public interest served by not making the record public clearly outweighs the public interest served by disclosure of the record. In this case, we have determined that the public interest served by not disclosing the records you have requested clearly outweighs the public interest served by disclosure of the records. Accordingly, to the extent that section 7922.000 applies to the records that you have requested, your request is denied.
