Subject: PRA request for concealed weapon permit

Hi Bonnie,

Attached is a PRA request for a copy of David Durringer's CCW permit, issue and expiration dates. According to my reference guides, except for home/business address and medical/psychological history, the application and permit are disclosable records.

Please let me know if you'd like to discuss; alternatively, feel free to respond directly to me and copy me.

Reason	Page (# of occurrences)	Description
Public Interest Exemption	1 (1)	California Government Code section 7922.000 authorizes a public agency to withhold an otherwise public record from disclosure when the public interest served by not making the record public clearly outweighs the public interest served by disclosure of the record. In this case, we have determined that the public interest served by not disclosing the records you have requested clearly outweighs the public interest served by disclosure of the records. Accordingly, to the extent that section 7922.000 applies to the records that you have requested, your request is denied.
