Dear [REDACTED] Public Interest
Exemption

The City is in receipt of your Public Records Act request for the following:

- I would like to know if David Duringer of Morro Bay has been issued a permit to carry a concealed weapon in Morro Bay
- If so, I would like to know when it was issued and how long it is valid for
- I would like a copy of Duringer's CTW permit.

City staff has conducted a search and determined no records exist that are responsive to your request.

Sincerely,
Dana Swanson

Redaction Log

| Reason | Page (# of occurrences) | Description |
|---------------------------|-------------------------|---|
| Public Interest Exemption | 1 (4) | California Government Code section 7922.000 authorizes a public agency to withhold an otherwise public record from disclosure when the public interest served by not making the record public clearly outweighs the public interest served by disclosure of the record. In this case, we have determined that the public interest served by not disclosing the records you have requested clearly outweighs the public interest served by disclosure of the records. Accordingly, to the extent that section 7922.000 applies to the records that you have requested, your request is denied. |
